

# GATL LIFE MENTOR GUIDELINES

1. The GATL student and life mentor will agree on the objectives, goals, expected outcome, and meeting frequency of the relationship.
2. The meeting length and frequency will depend on the mentoring objectives and the availability or commitment of the mentor (e.g., 30 minutes, one hour; monthly, quarterly).
3. The mentor will send a short report (see below) to the GATL site coordinator each quarter.
4. Additional resources are available on the GATL website. See <https://gatlonline.org/gatl-mentoring-program-overview/>.
